(54) Title: METHOD AND ARRANGEMENT FOR INDICATING A SIZE RESTRICTION OF A MESSAGE

(57) Abstract: The invention relates to indicating the size limit of messages, particularly multimedia messages, to the user. A device according to the invention includes an application program for composing multimedia messages. A multimedia message size limit defined by the network is registered in the device, so that it is available for the application and can be indicated to the user in said application composing multimedia messages.
